

July 1, 2016

Dear Parents of incoming 12th graders:

The Rhode Island Department of Health "Rules and Regulations Pertaining to Immunization and Testing for Communicable Diseases" (R23-1-IMM), requires that all students entering the 12th grade provide documentation of the following:

1. Immunization requirement for students entering 12th grade

- ✓ 1 booster dose of meningococcal (meningitis) vaccine –
Received **on** or **after their 16th birthday**

2. Physical health examination completed after the students 16th birthday

Please consult with our school nurse, Mrs. Grossguth at 647-4120 x 2215 for assistance.

For more information about these requirements, go to:
www.health.ri.gov/immunization/for/schools. Or contact the Rhode Island Department of Health at 401-222-5960.

Please DO NOT fax any medical information to the high school!

Please submit the two pieces of documentation by November 15, 2016.

Thank you for your prompt attention to this important health matter.

Sincerely,

Mr. Mike Hassell, Principal
Scituate High School
